## **AUTHORIZATION LETTER FOR BHASHINI API ACCESS**

Dear Sir/Madam,

This is to certify that the undersigned is the authorized representative and designated point of contact for **Shodh** for all matters related to Bhashini API integration and usage.

I hereby confirm that I am authorized to access, integrate, and manage Bhashini APIs (including ASR, TTS, and NMT services) on behalf of our organization:

<b>Name of Authorized Person</b>	Varun Sharma
<b>Designation</b>	Founder
<b>Email ID</b>	varun@shodh-memory.com
<b>Mobile Number</b>	+91 9810300618
<b>Organization Name</b>	Shodh
<b>Organization Website</b>	www.shodh-memory.com
<b>Purpose of API Usage</b>	Voice-enabled AI agents with Hindi/Indian language support for enterprise applications

As the Founder, I am authorized to:

- Register and create accounts on the ULCA/Bhashini platform
- Generate and manage API keys
- Integrate Bhashini services into our products and services
- Correspond with Bhashini team on technical and administrative matters

I confirm that all API usage will be in compliance with Bhashini's terms of service and acceptable use policies. This authorization is valid until revoked in writing.

Thanking you.

---

**Varun Sharma**

Founder, Shodh
